

Papua research seminar and lectures 2021

Integrating forest management with biodiversity education in Papuan Universities

Zoom Meeting: <https://gwdg.zoom.us/j/6326363897>

Deutscher Akademischer Austauschdienst
German Academic Exchange Service

Session 1

21.10.2021 – Biodiversity, Ecology & Conservation

Dr. Julian Schrader University of Göttingen
Introduction to biodiversity and biogeography in Papua

Papua
4-6pm

John Kalor M.Sc. Universitas Cenderawasih
Fishery resources on seagrass- and mangrove ecosystems

Germany
9-11am

Dr. Simone Pfeiffer University of Göttingen
Partnership programs for collaboration in research and teaching

Session 2

22.10.2021 – Biodiversity, Ecology & Conservation

Christoph Parsch M.Sc. University of Göttingen
The importance of remote sensing for biodiversity conservation in Papua

Papua
4-6pm

Dr. Margaretha Pangau Universitas Cenderawasih /University of Göttingen
Seed dispersal and forest regeneration

Germany
9-11am

Professor Dr. Satyawan Pudyatmoko Universitas Gadjah Mada
Management of endangered wildlife populations

Session 3

11.11.2021 – Anthropology

Dr. Stefanie Steinebach HAWK Göttingen
Challenges of intercultural qualitative research- discovering traps and treasures in field work

Papua
4-6pm

Dr. Septinus Saa, M.Si Universitas Cenderawasih
Evaluation of the policy implementation of the Cyclop Nature Reserve in Jayapura region, Papua Province

Germany
8-10am

Dr. Simon Abdi K. Frank, M.Si Universitas Cenderawasih
Evaluation of the policy implementation of the Cyclop Nature Reserve in Jayapura region, Papua Province

Professor Dr. Michael Mühlberg University of Göttingen
Marine coastal environments: their value for biodiversity and CO2-reduction

Session 4

12.11.2021 – Forest management

Professor Dr. Ralph Mitlöhner University of Göttingen
Forest Landscape Restoration

Papua
4-6pm

Dr. Yosias Gandhi Universitas Papua / University of Göttingen
Karakteristik Hutan Dua Areal Konsesi HPH di Papua: Dampak penebangan dan upaya melestarikan hutan

Germany
8-10am

Dr. Benjamin Wagner University of Melbourne
Surveying forests - an introduction to inventory methods, equipment and analyses for foresters and ecologists
